Senior Frontend Developer

Completed

Aug 1, 2025

Technical

9.2/10

Communication

8.5/10

Confidence

8.8/10

Feedback Summary

Excellent problem-solving skills demonstrated with the React component challenge. Communication was clear and concise. Could elaborate more on system design choices.

[View Details](#)

Full Stack Engineer

Completed

Jul 28, 2025

Technical

9.6/10

Communication

7.5/10

Confidence

7.9/10

Feedback Summary

A strong understanding of API design principles during the backend challenge. Their explanations were logical and well-structured, but they could improve by providing more detail on security considerations and authentication methods.
